Fertility New Zealand invites you to

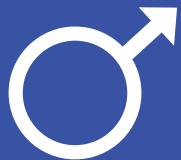

The Fertility Week Roadshow

the five **Usual Suspects**

ENDOMETRIOSIS

MALE FACTOR

POLYCYSTIC OVARY SYNDROME

RECURRENT MISCARRIAGE

UNEXPLAINED INFERTILITY

Come along to our series of information sessions on the main causes of infertility in our country. Learn how to take control of your fertility, either now or in the future, recognise warning signs, learn how you can improve your chances and when to seek help. Presented by Fertility New Zealand and with fertility specialists available for Q&A afterwards (location dependent), the Roadshow will provide information and advice, regardless of your situation.

Bring along your questions! The events are free-of-charge, but you will need to register as there are limited places available.
