

Many of us are longing for a child

As many as one in four Kiwis experience infertility during their lifetimes. Infertility isn't just medical – it challenges hopes and dreams, and often causes grief and stress.

During Fertility Week, join us for information, support and guidance. There's also advice for how people can support whānau or friends who are experiencing infertility.

Find out what's on offer at www.fertilityweek.org.nz

INVERCARGILL

Wednesday 25 September | 7pm-8.30pm
Invercargill Public Library, 50 Dee St
Invercargill

An overview of fertility treatment

Dr Kate van Harselaar

will highlight the most common infertility diagnoses, treatment options and what is available under public funding.

Bring your questions! All welcome.

Fertility Week is organised by
