## Many of us are longing for a child

As many as one in four Kiwis experience infertility during their lifetimes. Infertility isn't just medical – it challenges hopes and dreams, and often causes grief and stress.

During Fertility Week, join us for information, support and guidance. There's also advice for how people can support whānau or friends who are experiencing infertility.

**Find out what's on offer at [www.fertilityweek.org.nz](http://www.fertilityweek.org.nz)**

### **TAURANGA**

Saturday 21 September | 10.30am-midday  
Grindz Café, 50 First Ave  
Tauranga Central

## **Coffee and Chat**

Meet others 'in the same boat' for mutual support, friendship and understanding. Share as little or as much as you like – there's no pressure or expectation. This is a new group and an opportunity for people in Tauranga to gain the support that people in other parts of the country find invaluable.

Men, women, couples, support people are all welcome!
