

## Many of us are longing for a child

As many as one in four Kiwis experience infertility during their lifetimes. Infertility isn't just medical – it challenges hopes and dreams, and often causes grief and stress.

During Fertility Week, join us for information, support and guidance. There's also advice for how people can support whānau or friends who are experiencing infertility.

### **CHRISTCHURCH**

Tuesday 24 September | 6.30pm–8pm  
Bishopdale Library, Meeting Room 1  
13 Bishopdale Court (enter carpark off Farrington Ave)

## **Making great embryos**

Hear about a week in the life of an embryo and how the science around embryology is advancing both here and overseas.

Embryologist **Tanya Harris**

will also speak about how embryos are created in the lab and ways individuals and couples can optimise their chances of making the best possible embryos.

Fertility Week is organised by
